ABOUT THE INSTITUTION:

The Guru Gobind Singh Educational Society's Technical Campus (GGSESTC) has started its journey of academic excellence in the year 2011. The Technical Campus is promoted by Guru Gobind Singh Educational Society. The Guru Gobind Singh Educational Society established in 1979, is non-profit organisation working in the field of technical education. The Society has many schools running under its umbrella at various parts of the country. After 32 years of service to the society nationwide, it has been decided by the society to establish a Technical Campus in the name of Guru Gobind Singh Educational Society's Technical Campus at Bokaro, Jharkhand. The institute has a lush green sprawling campus spread over about 20 acres of land within the vicinity of twin city of Chas and Bokaro at Jharkhand. It is a fully self-financed institute.

We are paving the path for significant development & tremendous growth of our budding professionals graduating from GGSESTC for global perspective for sustainable impact on the society. We feel the amount of time our students spend here should be focussed on developing them to be a professional with never ending zeal to learn, innovate & experiment. Our faculty members have humongous knowledge base in their field of work. They facilitate transfer of learning very well with the kind of experiences & distinguished qualifications they possess. We focus on individual development of our students in Technical as well as soft skills by conducting & organising various training programmes, workshops, seminars, guest lectures & industrial visits by eminent professionals from well renowned Institutes, Colleges & Industries.

VISION

- *To promote professional education in the field of engineering and management at Jharkhand.*
- *To be an educational institution of all stakeholders.*
- *To promote human well-being through continuous learning*

MISSION

- *To promote knowledge.*
- *To make the institution most admirable and respectful for students, employees and industries.*
- *To achieve academic excellence through good governance.*

OBJECTIVE

- To be amongst top institutions in Jharkhand in terms of:*
- *Engaging with Indian corporates and institutions for knowledge sharing and development of the institute.*
 - *Dissemination of knowledge through Research & Training.*
 - *Improving through Rankings and Accreditations.*
 - *Adoption of Contemporary Technology in Teaching, Learning & other processes.*
