		assignments and assessments.
ECE	<ol style="list-style-type: none">1. Provide more video lectures.2. Show more practical videos.3. Use more PPTs.4. Solve more problems/numericals.	<ol style="list-style-type: none">1. Faculty created and uploaded video lectures on core subjects.2. Practical videos related to electronics and communications were provided.3. More PPTs were used to support complex topics.4. Additional numerical problems were integrated into coursework.
MBA	<ol style="list-style-type: none">1. Provide more video lectures.2. Show more practical videos.3. Use more PPTs.4. Solve more problems/numericals.	<ol style="list-style-type: none">1. Recorded video lectures on advanced business subjects.2. Practical videos on real-world business applications were shared.3. Enhanced course materials with more PPT presentations.4. Added more case studies and quantitative examples for practice.

Administrative Audit

Area	Audit Observation/ Recommendation	Follow-up Action Taken
Classroom Equipment	Install projectors in classrooms frequently used for seminars or larger classes to enhance learning.	Projectors were installed in key classrooms to facilitate seminars and lectures, improving visual engagement for larger classes.
Library Resources	Add a few more computers in the library for easy access to digital resources and for students who need research support.	Additional computers were added to the library's digital section, allowing more students access to e-books, journals, and online research materials.
Sports Facility	Improve sports facilities with basic equipment like volleyballs, nets, and areas for table tennis or chess to support recreational activities.	Sports equipment was procured, including volleyballs, nets, and tables for table tennis and chess, encouraging physical and recreational activities among students.
