Follow-up Action Taken on Academic and Administrative Audit (AAA) Report
Session 2020-2021

Academic Audit

Department	Audit Observation/ Recommendation	Follow-up Action Taken
CSE	1. Provide more video lectures. 2. Increase interdisciplinary research projects, especially in AI and IoT.	1. Faculties have begun recording video lectures on advanced topics for student access and review. 2. Initiated interdisciplinary research projects focused on AI and IoT. Partnerships with relevant departments were established to support research initiatives.
ME	1. Provide more video lectures. 2. Integrate sustainability-focused projects, aligning with current global engineering trends.	1. Video lectures covering core mechanical concepts have been created and shared with students. 2. Faculty developed sustainability-focused projects and assigned them to final-year students, highlighting sustainable engineering practices.
EEE	1. Provide more video lectures. 2. Expand coursework and certifications in industrial automation and IoT to match industry trends.	1. Video lectures on industrial automation topics were recorded for student use. 2. Introduced new elective courses and certifications in industrial automation and IoT to enhance skills in line with industry requirements.
CE	1. Provide more video lectures. 2. Add more coursework and research opportunities in environmental impact and sustainable urban development.	1. Created video lectures on environmental impact assessment and sustainable development topics. 2. Added coursework on sustainable urban planning, and initiated research projects focusing on environmental engineering.
ECE	1. Provide more video lectures. 2. Strengthen collaborations with telecom companies and research labs for student internships and real-world project exposure.	1. Faculties are recording additional video lectures to reinforce theoretical and practical understanding. 2. Established initial collaborations with telecom companies and research labs to facilitate internships and project exposure.
MBA	1. Provide more video lectures.	1. Faculty recorded video lectures, accessible to

Handwritten signature in green ink.

Administrative Audit

Area	Audit Observation/ Recommendation	Follow-up Action Taken
Sports Facility	Strengthen outdoor sports facilities for students.	Additional sports equipment and facilities were procured to support outdoor activities, including volleyball and football areas.
Reading Room	Introduce a separate reading room facility for teachers and students.	A dedicated reading room space was created in the library for both teachers and students to provide a quiet study environment.
RO Water Facility	Introduce RO water facility at the canteen.	Installed RO water purifiers in the canteen to provide safe drinking water to students and faculty.
Fire Safety	Increase the number of fire extinguishers.	Additional fire extinguishers were installed in key locations around the campus, including labs and common areas, to enhance safety measures.
