The GGSESTC technical campus offers B.Tech – ME, CE, EE, CSE, CSE(Data Science), CSE(Cyber Security), ECE and Fashion Technology: Management – BBA & MBA and Application – BCA courses which are approved by AICTE, New Delhi and affiliated to Jharkhand University of Technology, Ranchi.

#### About the Conference

This is the second National Conference in the series of National Conferences on Recent Trends of Engineering, Science and Management. It is themed upon Industry 5.0 towards transforming robots into cobots i.e. ideal human companions. The conference will showcase the different aspects of 5th industrial revolution, which is humane and undertakes sustainable approaches through bridging virtual and physical worlds by digital twins, modeling, visualization and artificial or neuronal intelligence.

#### Objectives of the Conference:

- To understand the challenges and barriers to the effective partnership of man and machines.
- To identify the innovative approaches of technology for sustainable growth and output efficiency.
- To provide an interactive platform for presenting new advances and innovative research results in the diversified fields of engineering, science and management and to explore new directions of research regarding Industry 5.0.

#### Invitation of Papers

Research articles and quality papers on innovative ideas and projects are invited from scientists/academics/industry/colleges/students upon the given theme on the following topics:

- Innovative Models for Social Science and Economic Sustainability
- Application of Green Technology in Production and Operation Management
- Innovations in Electrical, Mechanical, Material and Metallurgy Engineering
- Technology for Renewable Energy, Sustainable Housing and Other Infrastructure
- Application of Artificial Intelligence/Digital Technology in new dimensions.
- Advances in Science and Agriculture
- Innovations in Textile & Apparel Technology and Chemical Technology
- Entrepreneurship in Service Sectors and Other Industry

This conference will be organized in hybrid mode (hybrid/online) where participants can opt for offline or online participation as per their convenience.

#### How to Register?

#### GGSESTC at a Glance

Guru Gobind Singh Educational Society's Technical Campus (GGSESTC), founded in 2011, is acclaimed as a center of academic excellence for Engineering and Management education in the state of Jharkhand, India. The serene campus of GGSESTC is sprawled over 20 acres of land and located on NH 18 within the urban vicinity of Bokaro district, 'Steel City' of the Jharkhand state. Bokaro is also known as the education hub of the state. The college has set up Center of Excellence for statistical computational facilities for research in Management and Engineering fields. Since its inception, GGSESTC has been giving thrust on holistic learning and a number of MOUs has been signed with industries including JIADA, Govt. of Jharkhand to ensure the development & tremendous growth of our budding graduates for global prospective for sustainable impact on the society. The college has achieved various milestones during its journey of social service.

#### About the Conference

At present, one of the greatest challenges that each country faces in realizing sustainable development is application of technology and management in different sectors in light of the emerging challenges arisen by population growth, environmental issues, inefficient use and depletion of natural resources, and limitation of funds. The present era witnesses a pragmatic change in technology for more practical approach towards the sustainable growth. The conventional technologies are compelled to be replaced by more promising technologies like Soft Computing, Digital Technology, IoT, Analysis and Optimization Tools, Nano

Science, Bioinformatics, AI, Automation, Green Technology, etc. The conference theme 'Technology Transformation for Growth and Sustainability' is comprehensive with the identification of technological advances and implementation of new changes in different fields for social developments.

#### Objectives of the conference:

- To understand the challenges and barriers to the effective application of technology in the present scenario.
- To identify the innovative approaches of technology for sustainable growth and suitability in product production and promotion.
- To provide an interactive platform for presenting new advances and innovative research results in the diversified fields of engineering, science and management and to explore new directions of research.

#### Invitation of Papers

Quality of thoughts, projects, and research articles are invited from the intellectual mass from different parts of India related with the main theme directly and indirectly as below:

- Innovative Models for Social Science and Economic Sustainability
- Application of Green Technology in Production and Operation Management
- Innovations in Material, Mechanical and Metallurgy Engineering
- Technology for Renewable Energy, Sustainable housing and Other Infrastructure
- Application of Artificial Intelligence/Digital Technology in new dimensions
- Advances in Science and Agriculture
- Research Articles in Textile and Fashion Technology
- Entrepreneurship in Service Sectors and Other Industry

In view of pandemic situations in various parts of the country, this conference will be organized in hybrid mode (offline/online) where participants can opt for offline or online presence as per their convenience.

## कर्म से दुनिया में पहचान बना सकते विद्यार्थी

जास, बोकारो: गुरु गोविंद सिंह एजुकेशनल सोसाइटीज इंजीनियरिंग व प्रबंधन संस्थान कांड्रा, चास की ओर से गुरुवार को राज्यस्तरीय वेबिनार का आयोजन किया गया। सम्मानित अतिथि झारखंड यूनिवर्सिटी ऑफ टेक्नोलॉजी रांची के कुलपति डॉ. प्रदीप कुमार मिश्रा ने कहा कि कर्म ही किसी व्यक्ति की पहचान है। विद्यार्थी बेहतर कर्म के जरिए देश-दुनिया में अपनी विशिष्ट पहचान बना सकते हैं। विद्यार्थियों

को उच्च कोटि की शिक्षा हासिल करने के लिए कठिन परिश्रम करना चाहिए। कहा कि कोरोना के संक्रमण से बचाव के लिए जागरूकता जरूरी है। शिक्षक-शिक्षिकाओं व विद्यार्थियों को मास्क व सैनिटाइजर का प्रयोग करना चाहिए। इन्हें शारीरिक दूरी का अनुपालन करना चाहिए। चिकित्सक की सलाह मानना चाहिए। झारखंड यूनिवर्सिटी ऑफ टेक्नोलॉजी रांची के रजिस्ट्रार प्रो. कुणाल ने कहा कि कोरोना काल में विद्यार्थियों को

अपने स्वास्थ्य का खास खयाल रखना चाहिए। इन्हें पोष्टिक आहार लेना चाहिए। जीजीएस के अध्यक्ष तरसेम सिंह ने कहा कि कोरोना काल में विद्यार्थियों को ऑनलाइन शिक्षा प्रदान की जा रही है। इन्हें जीवन में आगे बढ़ने के लिए प्रेरित किया जा रहा है। निदेशक डॉ. प्रियदर्शी जरुहार ने कहा कि वर्तमान समय में शिक्षा को उच्चतम स्तर पर ले जाने के लिए शिक्षकों एवं विद्यार्थियों को आगे आना चाहिए।
