QUALITY ASSURANCE CELL

ABOUT

To enhance the quality improvements in the academic process and also as a pre-accreditation exercise Internal Quality Assurance Cell (IQAC) was formed in the college in September 2018. The objective of the cell is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution at all levels with the involvement of all stakeholders.

Functions of the IQAC:

- To develop quality parameters for the activities of the Institution.
- To create a student-centric teaching environment conducive to imparting quality education.
- To solicit, format and implement feedback/ suggestions form stake holders on quality related affairs.
- To create quality consciousness among the stake holders especially students and both teaching and non-teaching faculty.
- To document the steps taken and process implemented, leading to quality enhancement.
- To act as a nodal agency to coordinate quality related activities in the campus.
- To maintain institutional data base through MIS.
- To prepare annual quality assurance report (AQAR) for NAAC to be submitted at the end of each academic year.

Strategies of IQAC:

- To ensure quality of academic programs.
- To integrate modern methods of teaching and learning and monitor its effect on the student's performance.
- To instill confidence and credibility of evaluation procedure among stakeholders.
